Self-Supporting

Serenity in the Scenic City is self-supporting through monies paid for registration along with local supportive events. Conferences, conventions and roundups are special events that require months of planning. Events are held in hotels/conference centers and there is a charge for the use of these facilities. Other expenses include travel, schedules, programs, postage and supplies. The hospitality room is done by local groups in the area that provide food from their willingness to give of themselves, not the groups 7th tradition funds.

No baskets are passed. The registration fee is kept as low as possible to meet our financial goal for the weekend. Therefore, the registration fee is nominal compared to a weekend's worth of entertainment anywhere else and we pay our way as responsible members of Alcoholics Anonymous. Thank you for supporting us this year!! We'll see you next year!!!
